Strategic Plan

The institution has a strategy plan in place to help it develop in a systematic, well-thought out and phased manner.

- Application for grants from government and non government sources.
- Extension of available area through expansion to accommodation more classrooms, laboratories, staffrooms etc.
- Renovation to revive ageing infrastructure.
- Improvement of the scope and profile of the teaching –learning experience through greater use of ICT and other innovative means.
- To meet the challenges of this era of rapid transition with the aid of information technology and online facilities, our college formulated a welldefined strategy to offer complete digitization right from the admission process to the final record of students' progression throughout their stay in the college.
- As we upgraded our website, we started displaying on it the merit list. We have started offering the facility of online admission to all the programmes.
- Once the students are admitted we keep them updated with various notices regarding mid semester tests and their lecture requirement through SMS facility.
- The Internal Assessments are also done through online mode.
- The marks of the Practical Examination and Internal Assessment are sent online to the university.
- The University results are also recorded digitally.
